| Over 64 | | 1,997 | 2,038 | 2.05% |
| Housing Units | | 5,521 | 6,798 | 23.13% |

This map is a graphical representation only, and should not be considered an official map of school district boundaries. Population statistics were derived from the 1990 and 2000 year US Census. As the Census allowed multiple ethnic identifications for individuals, the sum of population by race does not equal Total Population.
